THE VIEW

When you enter the site, bear round to the rear of the building to park. There are two allocated spaces at the rear of the apartment opposite the main entrance door, these are both numbered 16. Spaces are numbered at floor level, please do not park in any spaces other than ones numbered 16. (image 1)

There is a keypad to the right-hand side of the communal door, this gives you entry into the lobby. Enter the code provided in your arrival email and then press the bottom left button. (image 2)

Inside the lobby there is a key safe marked number 16 mounted on the wall to the left of the post boxes, this contains the apartment key. (image 3)

The View is located on the second floor and is accessible either via the lift or stairs.
