# NO.4

The postcode will take you to Glynn Road. If coming from Dennis Road, then No 4 is the first house in the terrace on your right-hand side.

Although it is possible to park on Glynn Road, there is no provision for private parking at No 4. However, there are car parks close by- the "Link Road car park" or the "South Quay Commissioners" car park on the harbour. The link below has detailed information about parking in and around the town.

<https://padstowlive.com/parking-toilets-facilities/>

It is possible to pull up outside the house to drop off luggage, however, please be aware of other traffic trying to use the roads.

There is a key safe mounted to the left of the front door, this contains keys to the property.
