Choca

Sat Nav will take you to Beach Road. If you are coming from St Merryn then the entrance to Polmark Beach Cottages is on your right hand side as you go down the hill. If you are coming from Padstow, go down the hill towards the beach and over the little bridge. Follow the road as it starts to go uphill again, and the entrance to the cottages is on your left.

Follow the driveway around to the rear of the building, onto the gravelled area. Choca is the furthest property to the right, the parking area is directly in front of the courtyard garden.

The key safe is positioned at the side of the property, to the edge of the green electric box by the side door.
