KINGFISHERS

Sat Nav will take you to Little Petherick. Kingfishers is located Creekside, so when you reach the bottom of the valley, take the turning next to the church and proceed past the car park.

Kingfishers parking space is located on the left-hand side of the lane, opposite the terrace of creek-side properties. Continue past the cottage and through the gate, the parking space is on the left-hand side. When walking back towards the house, Kingfishers' cottage is the second from the end and has a slate plaque with the property name next to the front door.
