THE DOYDEN

Sat Nav will take you to the entrance of the beach car park, and the gate to Ocean Blue is on your right.

Please be patient with the automatic gates, they open very slowly.

Continue up the driveway with the apartments on your right. The parking space for The Gulland is at the rear of the front line of apartments at the top of the flight of steps directly in front of you, numbered 17.

From the car parking space, go down the flight of steps into the small courtyard. This is the communal entrance into several apartments (image 1).

Your keys can be collected from the key safe marked 17 located next to the external door (image 2). Press the T button on the metal pad for entry into the communal door and go up the stairs, the entrance to The Doyden is in front of you at the top of the stairs.
