Gwylan

Sat Nav will take you to Beach Road. If you are coming from St Merryn then the entrance to Polmark Beach Cottages is on your right hand side as you go down the hill. If you are coming from Padstow, go down the hill towards the beach and over the little bridge. Follow the road as it starts to go uphill again, and the entrance to the cottages is on your left.

When you enter the Polmark Beach site, follow the driveway to the gravelled parking area at the rear of the building. There is one parking space allocated to the property, this is marked Gwylan.

To reach the property, walk across the courtyard in the centre of the main house and bear slightly to the right. There is a plaque with the property name to the left-hand side of the front door, and the key safe is mounted on a pillar to the right-hand side of the front door.
