# SUNNYSIDE

Take the Trevone turning from the B3276 and drive down into the village. Continue down towards the beach, keeping the shop and café on your right-hand side. Sunnyside is on Beach Road, which is on your left just after the entrance to the beach car park.

Once on Beach Road, Sunnyside is the fifth house on the right-hand side. There is parking for one car in the driveway and extra space in front of the house for additional cars. Please be considerate when parking on the road and please do not block access to neighbouring properties.

There is a key safe mounted on front of the house, to the left of the front door. This will contain the keys you need to access the property.
