CAROUSEL

From the crossroads in the centre of St Merryn, take the B3276 towards Newquay. Carousel is on the Fairfield development, the entrance of which is on your left just after the set of bollards in the middle of the road.

On entering the development, follow the road past the children's play park and round to the right. Carousel is the furthest house in the terrace on your right and has parking for two cars directly outside the front door.

The key safe is mounted to the fence that runs down the left-hand side of the property.
