# POLMARK

Sat Nav will take you to Beach Road. If you are coming from St Merryn then the entrance to Polmark Beach Cottages is on your right hand side as you go down the hill. If you are coming from Padstow, go down the hill towards the beach and over the little bridge. Follow the road as it starts to go uphill again, and the entrance to the cottages is on your left.

When you enter the Polmark Beach site, the parking spaces for Polmark are on the left-hand side opposite the entrance to the courtyard.

To reach the property, walk across the courtyard in the centre of the main house. The entrance to Polmark is located in the right-hand corner. There is a plaque with the property name and a key safe mounted to the right of the door.
