THE WATERGATE

Sat Nav will take you to the entrance of the beach car park, and the gate to Ocean Blue is on your right.

Please be patient with the automatic gates, they open very slowly.

Continue up the driveway with the apartments on your right. As you drive around the last apartment, the parking space for The Watergate is on your right against the wall and is marked No. 15 (image 1).

From the parking space, walk down the driveway behind the rear of the front-line apartments. When you reach the end of the driveway continue down the steps where you will find a communal entrance in front of you. (image 2) The key safe is located to the left of the door and is marked No. 15. (image 3) You will need the key within to access the apartment. Use the T button on the silver pad to open the communal door, then take the flight of stairs to your right. The entrance to the apartment is on your far right at the top of the stairs, marked 15, The Watergate.
