TEAL

Mill Road can either be reached via Broad Street, where you would take the right hand turn after Chip Ahoy, signed Mill Road. Continue up Mill Road and the entrance to the property is on the right-hand side just beyond the covered parking area.

There is an allocated under cover parking space next to the entrance, please park in the space marked number 3. Please note that the space is quite tight and larger cars may struggle to manoeuvre into the space. If required, there is a car park on the ring road which has steps that come directly down to the property.

Input the code provided in your arrival email into the keypad to the left-hand side of the front door, this will automatically open the exterior door. Once inside, the key safe for the property is mounted on the wall to your right and labelled Teal.

PLEASE NOTE: When exiting the property please open the front door using the green button on the pad to the left of the front door, DO NOT use the emergency exit button as this will stop the automatic close mechanism working and the door will remain open.
